UTAH 2020 ECONOMIC IMPACT

Senator Mitt Romney

The Utah Industry Resource Alliance is dedicated solely to the success of Utah businesses in the manufacturing sector and all other businesses in rural Utah. State-wide Economic Growth is the primary focus of the collaboration.

The Alliance provides outreach, value-added training, education, workforce development, certifications, and needs-driven services to Utah Manufacturers & rural Utah businesses. Our collaboration is aligned with Utah's Economic Development Strategy to produce results based on our joint records of proven performance and successful outcomes.

"This was the best training I have experienced. After several months, our teams continue to refer to and rely on the concepts that were learned in this team building experience."

- Bryan Crowell, COO

Case Study: Pit Crew Challenge

Problem: Seeking effective team building exercise to teach teams how to work more effectively together.

Solution: Building High Performance Teams, Pit Crew Challenge. Trained 600 employees in groups of 24 over several weeks.
